DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY ELÍAS DEL SAGRADO CORAZÓN

While Aurora, as a Center of Love, opens the doors to inner healing, the most oppressed souls receive the opportunity of redemption and forgiveness.

For this reason, Aurora, as a Sacred Center, offers to hearts the Grace of liberation from the prisons and the chains of evil.

Aurora opens like a great Mirror of Light and shows humanity its potent Principle of Planetary Healing.

In this sense, a soul present in Aurora is a soul that accelerates the steps of its purification, and Aurora, as a Kingdom of Superior Love, sees to it that this deep healing can be made concrete and become conscious for the beings.

Aurora is this healing Mirror capable of dissolving the debts that the soul has acquired.

For this, Aurora carries forward, as its mission, the task of redemption of souls by means of its Ray of Liberation and of its Ray of Love. This allows for the hearts that contact Aurora to feel renewed and, thus, everything begins to regenerate from the beginning.

The human consciousness that joins to Aurora lives a before and an after, to attain, at last, its inner freedom from the chains that are contrary to life.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
