**SPECIAL MESSAGE OF CHRIST JESUS FOR THE 63rd MARATHON OF THE DIVINE MERCY,  
TRANSMITTED IN THE CITY OF BUENOS AIRES, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS  
DEL SAGRADO CORAZÓN DE JESÚS**

**First Message**

From the Great Star of the Universe, I greet you and send My Message of peace to the world.

Today My Words emanate from the heart of Andromeda, a place from where the Universes of this Universe are governed, and many more Universes that are ruled by the Law of the Hierarchy, and are under the care of the great universal Consciousnesses.

I have come to Argentina to correct it in its purpose, to again lead it towards the path of the light.

This is why I extend My Hand to the People of God, so that they may hold on to Me tightly and follow Me on the pathway of the true faith and of the new hope.

From Andromeda, I emit My Voice to the world and especially to Argentina, knowing that it is a people that needs to straighten its paths to be able to accomplish the Purpose of God, to be able to vivify it, to be able to fulfill it, in these critical times, in which everything is at stake.

What I ask you today is nothing new, companions, just only remember your commitment so that you can remember your origin, knowing that this material life does not end here and that after this life there is much more to learn.

The Universes offer themselves so that you can learn in its sacred Schools, where everything is written and where everything is accomplished.

Therefore, I invite you on these days to drink of My Mercy so that you can drink of the Source of Knowledge, a knowledge that reveals the Truth to you, a knowledge that will give you the peace and the wisdom that you need for these critical times.

But My coming to Argentina will not avoid many other things more that happen in these days and in these times.

Freedom is still in the hands of humankind.

Freedom is what can lead you to God or what can condemn you without you perceiving it.

For this reason, the choice is in each human heart, the choice of living in God or not being in God, of submerging in the Love of God or moving away from the Love of God.

Nobody will be forced to live a spirituality that they have not yet understood, nor felt inside.

But what I can promise to Argentina is just My Love and My Mercy. Streams that will lead you to

find the Divine Purpose, to find the answer that you are looking for so much, for a long time.

Thus, I am gradually forming My new soldiers, the soldiers of the last times. I am gradually building the inner Christ in the dwellings of all beings, the inner Christ who will live the end of times, the one who will give testimony, in My Name, that I am here among you and with you.

For this reason, today My Voice is emitted from Andromeda, a place where the Universal Government dwells and complies the Divine Laws of this Material Universe; a place where great decisions are taken for the evolution and the awakening of the consciousnesses, for the infinite expression of more degrees of love, of a greater Love than the one I could conceive when I was on Earth among you, a long time ago.

At that moment, I had left you a key that would help you to transcend all times and all generations, all experiences and all learnings.

It is the love for life what will rebuild Argentina, beyond the mistakes and faults.

Love is what will heal, it is what will fill.

Love will concede you peace and thus you will live in justice.

It will be worthless to oppose one another, because even though inequalities exist, which are seen by all, what matters for God, companions, is the destiny of your nation and its people, as a Promised Land, that will no longer have injustices nor inequalities, which will be permeated by the Presence of God, in the perfect living of His Beloved Son, in the heart of humanity.

Do not fight for what is material, although it is unjust.

Build in you what is true and what comes from God, what will really make you free, someday, to reach the Kingdom of God, which is inside of you.

Living in the Kingdom of God you will be in communion with the High and it will be no longer a religion nor a doctrine, because your religion, companions, regardless of any other, will be love.

It is love that will lead you to live service and fraternity towards your brothers and sisters.

It is love that will allow you to build brotherhood and thus be able to live the new life that will repopulate Earth in the coming times.

But while you live your internal and external transition, do not fight, do not oppose to one another any longer. Seek this justice in the Gift of the Mercy of God and everything will pass.

Thus God will make justice, as the Great Divine Consciousness that He is, and His children will finally represent Him on Earth, as He so much has expected since the beginning.

Be capable of living My Words beyond the senses.

Be capable of risking to do a little bit more than you do or than what you have achieved in your lives, because everything will start again in love, and from love will begin. The rest will become

dust and to dust will return.

In your spirits is the Sacred Reliquary of My Heart.

In your souls, the presence of My Soul can be, so that you may be in communion with the Divine Justice and in a perfect balance.

Therefore, from Andromeda, a Voice of equality is emitted and the Great Star of this Universe calls you to the elevation of the consciousness, to step out of forms and battles, to achieve the true meaning of your existence and of your mission on Earth as individuals, as a people and as a country.

Close the doors to chaos. Open the doors to My Divine Mercy because thus My Presence will triumph in you and My Energy will triumph in your nation.

The time has come to perceive reality and not deceptions.

The time has come, companions of Argentina, of climbing one more step to approach God and to feel His Love that fills and fills you, time and again.

Be a people that deserves Divine Justice and not human justice. Thus you will learn to be in balance and in harmony with the Universe.

Andromeda emits its voice, from the Universe to your planet, so that you can listen to it and count on its great Government that is celestial and complies with the superior commands that the Eternal Father dictates.

Join this chain of prayer for peace and prevent chaos to submerge you.

Be intelligent and activate the prayer of the heart so that your own inner Mirrors may dissolve all reigning darkness.

For this reason, Andromeda comes to bless you and consecrate you so that each human heart and each soul may listen to the Voice of the Universe and receive, from Andromeda, the spirit of peace.

May your offering for this Marathon be true as you have demonstrated on these last days.

Because the Universe is contemplating all your efforts, however small they may seem. All efforts add to the descent of Divine Mercy that allow to love the enemies and forgive the unjust ones.

Encourage yourselves to surpass Me in love and you will find the Truth.

Encourage yourselves to be My testimonials and you will be free, as you expect so much.

The Kingdom of God is inside of you and it must remain there throughout the times, for the Sacred Will to be fulfilled.

I thank you for having said "yes" to Me for this meeting, because this means much to Me, as a Divine and Universal Consciousness.

Here exists very valuable souls and very important spirits for the Creation. This is why you are in

Argentina and not in another place.

Everything in the Creation has a divine meaning and a superior Purpose to be manifested.

Be part of this universal current that comes from Andromeda and recognize, in these times, your mission with humanity.

May in this Marathon of springtime, the love of your hearts flourish.

May your hands, arms and feet give the fruits of service and walk to meet those who are most in need, so that Mercy may reach all, without distinction.

May the Light of the Spirit of Andromeda bless you in the name of the Sacred Brotherhood.

In the name of the Father, the Son and the Holy Spirit. Amen.
