**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

As the Daughter of Mercy and Queen of Peace, God Almighty has given Me the permission to go and help all the little hearts, all souls of humanity.

Dear children,

Today I want to tell you that it will be through prayer that more Graces will be able to be poured over all souls of the world. For this merciful Grace to be able to come, God needs children in constant prayer who help to repair all the causes that offend the Love of God and cause indifference in the hearts of humanity.

My children, I invite you to form part of the praying flock of My Son, souls that vigil in prayer for other souls so that the world may be converted, saved and become sacred before the throne of God.

Immersed in the powerful spirit of the prayer of the heart, you will relieve your tests and, as mediators, you will pray for those who do not live in God. The Heart of God continues to be offended and My Son, through His Divine Mercy, sends Me towards you to reveal this reality.

Know, dear children, that it is now time for reparation so that forgiveness may be expressed in the life of each soul. My little ones, I am calling you to help the world through the prayer of the heart and through a pure donation that may help many souls with the exercise of prayer.

Therefore your praying groups are called to build again the union between the soul and God; for this reason, dear children, My call is urgent before the time of Divine Judgment comes.

Enter the Kingdom of Divine Mercy and, with compassion, accept to drink from the Fountain that repairs everything, accept to remain in the Heart that knows everything and heals everything, accept to be in My Son Jesus.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
