Message for the apparition of the Most Holy Mother of God, the Virgin Mary, transmitted in the city of Belo Horizonte, Minas Gerais, Brazil to the visionary Sister Lucía

By the Power of the Holy Spirit, praised be Jesus Christ.

My children,

In eternal Glory, the Lord has sent me to bless this city and its nation. My feet rest today on Earth to confirm My Kingdom in the heart of My children and to show how infinite the Mercy of the Lord is, who sends His Servant to announce the glorious Return of His Son and to prepare the flock of this Great Shepherd of souls.

Dear children, I thank you eternally for the effort done by each one of your hearts to receive Me on this day. I thank you for the love and joy with which you prepared My arrival and I tell you, from the depths of My Immaculate Heart, that today Heaven observes Earth with special attention.

The angels of My Kingdom held back to accompany My maternal task. The saints and the blessed who live in the Kingdom of Heavens pray with fervor for the conversion of the souls who meet Me for the first time.

I welcome under My Mantle all who approach My Heart and allow Me to touch their essences with Love.

Do not fear, My children, to stand before the Blessed and Most Holy Mother of God. I am the same of Nazareth, who returns in spirit, from time to time, to renew the human hearts. This is the cycle of My last call.

I come to awaken those who have not yet heard My Voice that calls them. I open My arms for all to be able to find refuge in My Heart. I am the Mother of all the creatures of this Earth and I am here, at this time, before those who see Me and feel Me in their hearts, so that all My children of the world may have the opportunity to know My call to conversion and to prayer.

I ask nothing more of you, but that you pray with love, sincerely confess your faults to God, commune daily with My Son Jesus Christ and open your hearts so that I may be able to reign in your lives.

What I ask of you is so simple and great is the repercussion that happens in Heaven and on Earth when you respond to this call!

Each one of My requests, My children, has the sole purpose of saving souls who suffer in the darkness and preparing those who will walk beside the living Christ, who will return in Body, Soul and Divinity to definitely redeem the world.

My Voice echoes in the hearts that recognize Me for they were summoned by God to be part of My

Marian army of prayer and to work tirelessly with Me for the salvation of souls.

For those who accepted to follow this simple, but great call, I am awaiting them in prayer. For, in the same way that I present Myself today to those who call Me with their hearts, I aspire to reach their homes, cities and nations whenever sincerely cry out to Me, so that My Peace may expand throughout the world.

As Mother and Queen of Peace, I come to spread My request of Peace, for the world, My children, needs to find peace in the hearts of the human beings.

I leave in your hearts this request and this call, so that you may follow the Blessed Virgin Mary in the rescue of the most lost souls.

There is still much to be done, and My children wait for your prayers.

By the eternal Grace that God sheds upon the world, I always bless you.

I thank you for responding to My call!

Mary, your Mother and Queen of Peace
