WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FÁTIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

Today we are on the eve of an important event, an event that once changed the facts of the history of the Divine Hierarchy with humanity.

On an August 18, 2011, your Most Holy Mother appeared again upon the sacred ground of Aurora, to ask that My Message and My call be made public.

It was then that the events that the Hierarchy was foreseeing began to change; because through Aurora and the date of August 8, 2007, the Divine Mother left you and humanity the open door of redemption, which the majority accepted, but few went through.

For this reason, the Sacred Hearts expanded Their mission and task with souls, so that, by means of regular instructions, souls could gradually understand, by themselves, that it was necessary to live this impulse, rather than just receive it.

Seventeen years ago your Divine Mother stepped, with Her Feet, upon the sacred ground of Aurora. Today I come to tell most of My children that you are still in time for being able to go through the safe door of redemption, so that humanity may also be redeemed someday.

Going through the door of redemption means that you dissolve from yourselves all personal will, power, or authority, so that, by the Grace of redemption, the life of My children may be ruled by the Power, impersonal Authority and the Will of the Most High Eternal Father, just as your Heavenly Mother was and is ruled by the Celestial Powers.

When the soul, for some reason, receives the impulse of the Divinity, but has its life aspects still not transformed, the soul enters into crisis, because it is subject to the play of its free will and personal will, which generates unnecessary suffering.

For this reason, on the eve of the celebration of the first day of the announcement of the Work of the Divine Messengers on a world scale, your Holy Mother reminds you and explains the reason for the revelation which was received in My beloved Aurora many years ago.

In this way, you will be able to understand that the Universal Hierarchy gives impulses and instructions so that souls may take their steps and not just remember a Message.

For this reason, August, this August of 2024, not only represents a previous cycle that has ended for everyone, but also represents the beginning of a cycle of spiritual and moral rebirth for souls that at some point professed their faith, trust, and confirmation before the Divine Hierarchy.

As always, I will be praying for this moment and for each one of My children, called upon to begin to walk with their own feet. It is now the time.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace and Lady of the spiritual and inner cycles
