DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE JOURNEY FROM THE MARIAN CENTER OF AURORA, PAYSANDU, TO MONTEVIDEO, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

While on the one hand, the consciousness of the planet reflects a humanity divided by wars, hunger, inequality, and conflicts, on the other hand, the essences of this time are going through their great definition.

I ask you to take My Hand so that I may unite you all and thus lead you on the path of love and reconciliation.

My enemy is managing to infiltrate even the religious life. He projects fantasies, stimulates ideas, and generates disagreements, awakening great discouragement and disappointments in hearts.

By all means he tries to undo My projects, but he will not manage to do this. He already realizes that he lost, and thus places all his fury in human minds and generates many setbacks where they do not exist.

For that reason, I come to ask you to protect yourselves, to take one another into consideration, and to not, even for a second, leave My Heart, because in this way, I will protect you and I will hold you in My Arms.

Everything contrary to the light that may be happening at this time will be an appearance created by My adversary.

Immerse yourself in the prayer of the heart, fulfill the daily liturgies, and you will survive. Because more complex times will come and hearts must be more united than before to endure the last and definitive clashes.

I am praying for you. The Woman clothed with the Sun is, at this moment, running to the desert.

The door of Armageddon has already been opened in this last August.

Be vigilant and do not allow yourselves to be confused.

I am at the rearguard of My children.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
