**DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED DURING THE JOURNEY FROM THE CITY OF SANTA MARÍA, RIO GRANDE DO SUL, BRAZIL, TO the Marian Center of Aurora, Paysandú, Uruguay, TO THE VISIONARY SISTER LUCÍA DE JESÚS**

Open your heart to perceive that which God aspires for you. Always receive His words, placing them within your own being, for them to transform you as a living witness of the Divine Presence.

Not only listen to the Words of God, but, child, allow them to transform you into what you truly are. Allow them to liberate the covers of your illusion and arrogance so that you may see the truth that is hidden under your human condition.

Listen to each message as a dialogue of God with you and do not fear to deepen into what He tells you. This is how you will truly transform yourself, and your transformation will be a service to the planet.

The inner life of beings - their transformation and their contact with God - can be an incalculable service for the human consciousness and the planet, with all life that inhabits it. But for this, child, your heart must always be sincere and transparent, and in this way, when the moment to correct and transform yourself arrives, may you look more to yourself than to others. Look at your fellow being only if your gaze is compassionate and merciful, and if within you there is the firm aspiration to serve your brothers and sisters, and not to search for their defects

Why am I telling you this today? Because the planet agonizes, souls agonize, the Kingdoms of Nature agonize and the hearts are still awakening, very slowly, to this planetary reality.

Do not lose your time and your word. Pray for your fellow beings and for the planet, and transform and purify your heart. My child, make yourself a true disciple of Christ, so that when He calls you "companion", He will not only be referring to your spirit, but to everything that you are.

Receive My Words with love and hope, knowing that you can serve and change the destiny of this world, wherever you are. You only need to look within yourself and make the decision of definitely expressing what God wants from you, of finally becoming what God expects from your heart

Your Father and Friend,

The Most Chaste Saint Joseph
