Daily Message of the Virgin Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón de Jesús

The end of September is coming, a time in which a great change will be experienced, and souls will live through a test of faith, in order that the Celestial Father can confirm where He will place and sow the last and most prized seeds of the New Humanity.

This test will allow hearts to know what degree of true love they are in and how much they put into practice each one of My Messages.

Beyond the Messengers, this test of a deep faith, trust and credibility will define the next steps the Spiritual Hierarchy must develop in the end times.

Through this test, the confirmation will come as to whether the gifts from Heaven were truly received or were wasted.

It will be a test of faith because it will allow souls to realize where they are and if they have taken steps according to the Commandments we have given them in these last ten years. Each will know if they truly love their neighbors more than themselves and if they have not forgotten this first rule.

God will allow this test of worldwide faith so that new opportunities for definition can manifest, since it is urgent to be able to count on real and unconditional soldiers of the Plan.

I, as your Mother, will be praying to the Eternal Father, in order that at this hour, wisdom can predominate rather than division. I will be beside those who wholeheartedly call on Me and I promise to guide them.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
