Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil to the visionary Friar Elías del Sagrado Corazón

Dear children,

At each new step you take, the Divine and universal Hierarchy can move forward with Its Work of the salvation of humanity and rescue of the planet. For this reason, when eyes are opened to the Plans that God shows the world, the different phases of the work can be done in souls and thus attract to the planet, especially to humanity, the opportunity for spiritual ascension.

The elevation of each molecule, of each cell, as well as of each consciousness of this planet, greatly helps the Work of the Divine Hierarchy to reach other fields of consciousness that are still in need of a certain type of impulse to be able to evolve and grow.

In this sense, dear children, at each step you take, souls of the world are able to receive certain opportunities that were previously unforeseen. This is possible because of something that is fundamental, that which we call adherence to the Divine Work, adherence to Celestial Principles that descend in these times to concretize the redemptive Work of Christ in humanity.

I thank you for responding to My call!

Who unifies you,

Your Mother Mary, Rose of Peace
