WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

The spiritual war continues its battle within the inner planes.

Your commitment to the Holy Rosary will strengthen you and give you discernment when you need it most.

To stop praying the Holy Rosary, at this moment, is like walking in the darkness of this world, without being able to see the inner light.

My children, from the earliest times we have told humanity that, in prayer, when made with the heart and not only with words, is the victory of your redemption, because, in prayer, you will find My Son.

Prayer will lead you to the safe harbor in this time of global adversity.

Dear children, I teach you that your awakening is in simple experiences, and in prayer lies the attributes and virtues that you need today to learn how to go through this critical moment.

My children, I call you, once again, to renew your spiritual commitment to the Holy Rosary, because some of My children forget and do not give the Holy Rosary the importance that it has.

I ask you not to be distracted. Together, we must triumph in this last battle, so that not blindness nor ignorance may continue to confuse the hearts that decide to turn away from My Son.

We must protect fragile souls with prayer because, at this time, people will make hasty decisions, and overnight they will completely forget that they were next to My Son and being welcomed by His Grace.

Let us pray, children, that the Justice of God not continue to be provoked by the ignorance of souls.

I thank you for responding to My call with awareness!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
