Daily Message of Mary, Rose of Peace and virginal Wife of the Most Chaste Saint Joseph, transmitted in the city of Lisbon, Portugal, to the visionary Friar Elías del Sagrado Corazón

My dear children,

In the chaste presence of Saint Joseph the Laborer, we unite with the divine Original Purity present in the human heart, which in these times has lost the meaning of spirituality and supreme wisdom.

It is for this divine cause that today, the Sacred Hearts of Mary and of Saint Joseph present Themselves to humanity, for the purpose of it renewing its inner vows of service and of surrender to the Heart of the Celestial Father.

Today, the Sacred Family, on this 19th of May, comes to your hearts and souls to remove them from the planetary inertia and indifference, so that in leaving this point in consciousness, your eyes may open to the infinite and supreme love of the heart, capable of transforming and of transmuting all things on the planet.

We come to humanity to let you know of the importance and the urgency of waking up inwardly to what you are; to finally manage to set aside world indifference.

Our aspiration is that through your simple and prayerful lives, you are able to reflect what the human race has lost, thus helping to restore the mind of humanity, permeating it with codes of love, of simplicity and of surrender.

God wishes Europe to have a more fraternal consciousness, that is able to rise above material life to the celestial designs that, through the Center of Love of Fatima, wait to descend from the universe and be revealed as a great inner treasure for your hearts.

In this time, when everything is allowed, the Sacred Hearts, the Celestial Messengers, come again to the world to remove it from the world hypnotism, for the planetary need is very great, from the spiritual levels to physical life.

It is for this reason that we invite you, just as some of the pilgrims present here are doing, to live the ministry of these times in Europe, without resistance and without fear. Because it will depend on the more conscious Europeans, on their spiritual path and their universal life, that all the Work of the Sacred Hearts is able to come, in a following stage, not only to Asia, but also to Africa, where My maternal promise of visiting some nations must be accomplished.

Your Messenger and Servant of God needs to reach the hearts of My beloved Africa, for I ardently desire that the Mercy and universal Healing of God reach each one of them.

That will be one of My last missions of peace on the planet, because after Asia and Africa, humanity will enter into its final stage, before the Return of My Son to humanity.

United, let us continue to fulfill the Designs of God, which are preventing the activation of nuclear wars and bombs.

I thank you for responding to My call!

Who blesses you and once again thanks you for concretizing this mission.

Your Mother Mary, Rose of Peace and virginal Wife of the Most Chaste Saint Joseph
