**DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN BOGOTÁ, COLOMBIA,
TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

To My companions and servers of Colombia,

Never forget that charity and good must come first in your lives, and that this charity will help you, every day, within yourselves, to love and to respect service to your neighbor as well as to the Kingdoms of Nature.

Charity, companions, will make you love more, each day, and thus embrace each call and each invitation with greater trust.

Do not expect accomplishments or results in everything you do, because the trophy of My apostles is not recognition, but rather the constant and never-ending surrender of self, which will make you worthy before the Father and His precious Will.

Allow charity to let you understand your neighbor so that appearances and mirages created by the ego may disappear and the heart may be the ruler of your lives and of your entire existence.

When you live this message, your consciousness will expand, and you will be able to see reality in a different way. You will no longer be carried away by judgments nor commentaries but rather, through charity, you will conquer the spirit of brotherhood, which should beat and throb in your hearts forever.

Never forget all of this.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master Christ Jesus
