DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF CUENCA, ECUADOR, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

I am the Lady of the Most Chaste Eucharistic Body of Christ and, upon my chest I carry a sacred replica of Christ.

I am the Lady of the Most Chaste Eucharistic Body of Christ and, through that sacred teraphim, your Celestial Mother converts the world and lost souls.

I am the Lady of the Most Chaste Eucharistic Body of Christ, and through this sacred Christic symbol, I give an impulse for the renewal of faith in souls and their consecration to the Master and Redeemer.

I am the Lady of the Most Chaste Eucharistic Body of Christ, and I bring to the world the revelation of the restoring and comforting Love of the Lord, when souls just prostrate themselves before the Most Holy Sacrament.

I am the Lady of the Most Chaste Eucharistic Body of Christ, and through that sacred redeeming power, your Celestial Mother can intercede even more for those who have fallen and I can grant Graces to those who would not deserve them.

I am the Lady of the Most Chaste Eucharistic Body of Christ, and I bring the news to humanity that there is still time to surrender to the Lord so that His Grace and His Mercy may redeem the souls and the nations of this planet.

I am the Lady of the Most Chaste Eucharistic Body of Christ, and I leave to the hearts the testimony of Greater Love, that which overcame death and all perdition, the Love of My Son, who suffered and endured for lost hearts.

Carry within your hearts the symbol of the Most Chaste Eucharistic Body of Christ, and all will be redeemed.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
