DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE CITY OF FATIMA, PORTUGAL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Let fear transform into faith. Let the anguish of not knowing how to help a fellow being transform into the certainty of the power of prayer. Let peace flood through you and thus expand into the world and permeate the souls that are in need of it.

Let the tests of these times forge within you the strength of the surrender to God and His Plan. Let your renunciations be imprinted in the human consciousness as a step toward Christic life, because when you renounce your will, you understand that there is a Greater Will and that you are in the world to manifest a Higher Plan, rather than to satisfy human desires and aspirations, no matter how good they may be.

Take a step toward Faith and pray from the heart for the situations that you cannot solve because, where God is, there will be an experience of love, a learning that will lead beings to His Heart.

Meditate on what I tell you and keep your heart in peace.

Your Father and Friend,

The Most Chaste Saint Joseph
