WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My dear children,

In the Law of Self-giving, you will find the inner strength to go through this moment, even if it seems impossible to you. For without self-giving, you will never understand God's Will and all that He desires for your lives.

My children, self-giving is a master key that opens the door to piety and humility.

There is no way to understand or perceive what the Eternal Father traces with His Divine Thought, without first living by the Law of Self-giving.

Under that Sacred Law, you will purify yourselves. Under that Law, you will transcend yourselves. Under that Law, you will learn to be unconditional and righteous, just as Christ was until the last moment of expiring on the Cross.

Without self-giving, it is impossible to redeem the world and its sins.

Christ comes, through His Word, to awaken in you, My children, the commitment to embrace the Law of Self-giving, just as My son embraced the Cross and kissed it.

This is the moment, this is the great moment, in which Jesus will prove his fidelity to the Law of Self-giving, imperiously necessary to balance the evils of war, the impunity in nations, the indifference to those who suffer, the separatist ideologies of these times. For the Law of Self-giving will make you reunite again and again with your true essence; and in that inner communion with the essential, you will not be disturbed or intimidated. You will no longer believe, for yourselves, that the place and the moment that My Son entrusted to you to donate yourselves, does not make sense.

The opposite of self-giving is self-absorption. The opposite of self-giving is believing that you should no longer serve.

This is the exercise of the end times: self-giving without expecting anything in return, trusting that everything will be contemplated in you, even the smallest thing.

Think and meditate on all that I have told you, for My Son expects mature souls.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace.
