DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Certain Universal Laws sometimes fulfill and follow the mandate of a fundamental Law, such as the Law of Transmutation, which in this time is active and intervening as it has never intervened before.

The Law of Transmutation permanently prevents certain events from being triggered in humanity, or in a particular situation.

This Law assists in the spiritual unblocking of certain spiritual, mental and physical circuits that make it difficult for the Law of Harmony to be fulfilled.

Thus, the Law of Transmutation repels, and, at the same time, evacuates certain adverse currents that try to destroy the Plan of Love in humanity.

When this is about to happen, the Law of Transmutation enters into action to try to release and lead that which is impeding the flow of the Laws to other planes of consciousness.

In this time, the Law of Transmutation is present to grant the human hearts an opportunity to recreate their lives and their way of perceiving the reality of this cycle.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
