DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE JOURNEY FROM THE CITY OF FLORIANÓPOLIS TO SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Child,

There is nothing that love cannot solve, heal or dissolve.

Love is capable of everything, such as, giving everything.

Love is patient and persevering.

Love is sustained by love itself because it is a truthful and peaceful love.

Love does not change nor does it decrease.

Love is always in expansion and embraces everything it touches.

Love is unconditional because it is a constant love but, at the same time, neutral.

Love fears neither evil nor distress.

Love recreates love and this makes it strong.

Love gives strength and increases faith.

Loves builds and unites bridges of love between Heaven and Earth, between the souls and God.

Love always says "yes" and waits with tranquility for the next service and the next step.

Love elevates and heals deep wounds.

Love renews hope; but love also renounces in order to give an opportunity to one`s neighbor.

Love is peace.

I thank you for responding to My call!

Who blesses you

Your Mother Mary, Rose of Peace
