Daily Message of Mary, Rose of Peace, transmitted in the Commune of Luz-Saint-Sauveur, the Hautes-Pyrénées, France to the visionary Friar Elías del Sagrado Corazón

Receive in this hour all the Strength and Love of God, in order to overcome the tests, definitions, and unexpected events.

Receive in this hour all the Trust and Grace of God, in order to carry forward His Plan in a world of chaos and abysses.

Receive in this hour all the Faith and Wisdom of God, in order to step by step, materialize the Divine Designs and make of each moment an opportunity for redemption.

Receive in this hour all the Intelligence and the Science of God, in order to manifest at each stage, the Will of the Creator and thus allow hundreds of souls to be benefited by this action of service and charity.

Receive in this hour all the Life and Regeneration of God, in order to express the spiritual and inner healing that this race sorely needs.

Receive in this hour all the Mercy and Peace of God, in order to gather together the self-summoned from different schools, experiences, and paths, and in this way manifest the new flock of the Lord for these times of definition.

Receive in this hour the Unity and Fraternity of God, in order that the Plan of Redemption may be carried forward for this world and all humanity, so that higher Love and the inner and definitive union with the Consciousness of the Father may be experienced.

I thank you for responding to My call!

Who blesses and protects you always,

Your Mother Mary, Rose of Peace
