Daily Message of Mary, Rose of Peace, transmitted in the region of Valparaíso, Chile, to the visionary Friar Elías del Sagrado Corazón

When hearts, without realizing it, invoke the power of the Mercy of God, souls that are further away from the place where the Marathon of Divine Mercy is taking place, receive important spiritual assistance that resonates in those consciousnesses for a period of five days.

In this way, dear children, souls are worked upon on several planes of consciousness until Reconciliation can be established as a Sacrament of union with God.

It is thus, My children, that the practice of the Marathon of Prayer allows dissolving the ideals from the planetary consciousness that later on, will affect nations through the great conflicts in the world.

For this reason, the true fervent prayer makes it possible to rebuild, repair, and restore not only the consciousness that prays but also the whole place where that meeting of prayer is carried forward.

In this way, humanity as a race is assisted each time that it is open to the meeting of prayer of Divine Mercy.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
