DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

The return of the Musical Kingdom of Peace

That, on this day of Glory, the voices of My children rise to the Heaven and may the angels of the sacred melodies announce, with their trumpets, the upcoming birth of the inner Christ.

May the Sacred Star of Bethlehem radiate its divine attributes over souls and may the singing hearts feel motivated to express gratitude for the immense Love of God.

May the ears of all the participants of this Meeting open up and hear the offering of love that the singers of Christ will impart.

May all the melodies that will be offered today be the great inner offertory of the believing souls for this Christmas.

The music that cures the hearts returns today.

Today will return the melodies which will uplift the consciousness of humanity in ardent faith and unwavering trust.

May the purpose of cure for this planet, and for this humanity, be lived today and may the hearts be reborn in the Divine Fire of Christ.

May the doors of the inner worlds open and may the essences receive the sacred impulses of redemption and of compassion.

All the fallen stars shine today because the melodies offered raise the essences in redemption.

That is why I order that the angels of harmony and of song impregnate, at this moment, the offertory stage so that subtle liberations can be realized in the hearts that need healing and forgiveness.

The Musical Kingdom of Peace comes back and returns today, and the Universe opens its gates to receive from the simplest and the most humble all the gratitude and the love of their heart, on the eve of this next Christmas.

The Meeting of singing souls and of the essences of devotion returns today, and a ray of Grace and of Mercy enters in all the spaces to consecrate and bless, on this day, all those who have responded to the call of the music of Love in order to heal the aching humanity.

May all My children feel participants of this moment and may faith confirm, in all hearts and lives, their union with the Plan of God.

I bless you and may this day be the beginning of new and enriching experiences of love and of healing that must be sown in this humanity.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
