MESSAGE FOR THE VIGIL OF PRAYER FOR PEACE IN THE NATIONS, RECEIVED IN THE THE MONASTERY OF THE CONFRATERNITY OF THE LORD, GUATAVITA, CUNDINAMARCA, COLOMBIA, TRANSMITTED BY MARY, ROSE OF PEACE, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Today, from My Heart springs forth infinite gratitude for the devotion and the faith that My children have for the different faces of the Divine Mother.

This infinite gratitude that springs forth from My Heart is the love that My praying children express to Me when they pray from their hearts to My maternal Heart.

Therefore, the Heavenly Mother, under Her celestial sovereignty, can be present in many nations of the world, revealing and making Her different faces known so that each people, culture and civilization may recognize the ever Virgin Mary, Mother of the world and of humanity.

Today, My children, another anniversary is completed of when the Celestial Father decided to reveal, to some humble fishermen, the face of Our Lady Aparecida; a face that protects and safeguards Brazil as a country, but also a face which arrived, at that time, into the hands of the fishermen, to destroy, once and for all, the slavery and subjection of the black and African people.

Therefore, today is an important day for Brazil and for the world, not only as the presence of the Lady Aparecida in Brazil is celebrated, but everyone also today remembers that there is a path to liberate oneself from spiritual and material slavery, and that this path is offered by the Virgin Mary so that more and more consciousnesses may attain the freedom from their own prisons in life.

Therefore, My children, your Heavenly Mother and Lady Aparecida extends Her hands towards you so that you may be guided along the path of spiritual freedom, which the majority of humanity will need in order to be free from the chains of oppression and of mental and material slavery.

May the divine symbol and the venerable image of the Lady Aparecida of Brazil give an impulse for the whole world to keep fighting every day so that the trafficking and human exploitation of these times may dissipate, and the souls that suffer most, for these sequels, may have the Grace of a dignified life and support from the Love of God.

Offer this day of Vigil of Prayer for all those who are imprisoned within themselves, and cannot liberate themselves from error. But also lovingly raise your prayers to the Heights so that the trafficking of people may end and this great network may be banished from the minds that promote it, so that all My children can experience the Grace of redemption and of forgiveness.

Today I will avail Myself of all celebration and of the devotion of My children who will visit the Sanctuary of Aparecida for this important cause to be fulfilled.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace and Lady of Brazil
