### **Message for the Annual Apparition of the Holy Mary of Aurora, Mother of the Divine Conception of the Trinity, transmitted in the Marian Center of Aurora, Paysandu, Uruguay, to the visionary Friar Elías del Sagrado Corazón**

Dear children,

In glory, joy and celebration, today I gather you in the cenacle of My Immaculate Heart in order to give honor and thanks to the God of Redemption, who has gathered you since the beginning to live within the path of conversion and forgiveness.

Let us give thanks to His infinite Presence in the pure and simple hearts that have heard the call of the Queen of Heaven, of the Holy Mary of Aurora.

Today, the closing of a universal cycle, in the work of the Mother of God with Her children of humanity is fulfilled.

Today, the Heavens open up to find the devout and humble souls that have responded to the call of Peace.

Blessed be all who are present in this Higher Kingdom of Redemption and Love, because on August 8, 2007, Heaven touched the Earth through the blessing of the Universal Mother, and Her attributes were revealed through Her Faces in the cycle of the twenty-two apparitions in August of 2011.

In this synthesis, that I give you today, My dear children, I wish you to be aware of the events that will be kept for a long time after I am no longer be here among you. But I shall not leave you alone. My Immaculate Heart shall be your strength and main reason to go to Jesus, the Christ.

As a mediator and Mother, in the end of times I call you, dear children, to this new cycle, to gather the inner forces of the heart in order to cross the infinite threshold towards the Heavens. There you will be able to live in peace with yourselves and among your families, even though you live in this world that suffers.

On August 8, 2007, I came to establish devotion to the Mother of the Divine Conception of the Trinity in Uruguay and in South America, awakening a deeper devotion for the Mother and Lady of Lujan in Argentina, for Our Mother of the Thirty-Three in Uruguay, and for Our Lady Aparecida in Brazil. My Universal Heart knocked on the doors of the hearts from the Republic of Venezuela through Our Lady of Coromoto in order to rescue the consciousnesses of the original peoples of the Americas, along with the Divine Power of Our Lady of Guadalupe.

I have established the devotion to My Immaculate Heart throughout the world, for it is the portal for the salvation of the lost souls who are distant from the God of Love.

Today, dear children, may your inner celebration be deeply devotional and mystical, allowing the

Love of God to transform you through My Presence on this day.

My main appreciation is for all My children, believers or non-believers, healthy or ill, happy or sad, who were called to My path of Peace and Redemption of souls.

Today, the light of the Marian Centers shines in a special way in the world, for My motherly Consciousness will appear to Its beloved children who faithfully trusted the Lady of Heaven.

Remember, dear children, that I pray day and night for your missions consecrated to God the Father.

For so much that you have given Me, I thank you, now and always.

I am the Aurora that can dawn within every being.

Peace and Mercy for the whole world,

Your Holy Mother Mary, Lady of Aurora
