DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Carry in your heart the Love of God; and for that Love to be perpetual you must sow it through charity and the good.

It will be the Love of God that will bring you awareness of different realities.

For this reason, in order for God's love to endure and be part of the planetary life, it is necessary to be in communion with It, because in this communion everything can be renewed.

This renewal will consist of the fidelity that you may profess to the Love of God, thus you will be in His plenitude and the Father's blessing will grant merits to those who need it.

To be in God's Love is to remain in His Will and thus everything will be protected, because the Love of God intervenes and acts in all aspects of life.

The Love of God attracts for the human being the possibility of remaking their life every day, following the Principles of Creation, which are based on unity, obedience and brotherhood.

These currents of Love will lead the consciousness to remain on the correct path, even though in many cases the Divine Will, which is infinite and intangible, may not be fully understood. The Love of God will always bring you wisdom and clarity in all forms.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
