DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MUNICIPALITY OF MILLE-ISLES, QUEBEC, CANADA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

As the days grow shorter and the end of the period of daily messages draws near, I invite you to live My instructions and put them into practice so that, at the most unexpected moment, nothing surprises you, and so that you may have the inner tools to overcome and experience that which is designed for each one of My companions, in a way similar to what the apostles experienced.

For this reason, from now on, consciously prepare yourselves. Everything has already been given to you so that you could learn to go beyond yourselves and thus be able to fulfill the part that corresponds to each one.

The time has now come in which you must testify to Me and confirm your trust in My Divine Consciousness, in spite of My no longer being present among you for quite some time.

Everyone has the responsibility of making each one of My Words the flesh of your flesh so that you may not run the risk of only having heard them.

Each instruction that I impart must resonate within you, and if that still is not happening, seek the reason why; thus you will be true to yourselves and to others.

Remember that all I tell you here is out of Love for that Greater Love that for some years now has come to meet you, to awaken you and to make you conscious of your commitment with Me.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
