DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

Do not stop rowing this boat of salvation and rescue of the end of times; there are still precious souls to rescue and to reach out your hand towards, so that they may be able to climb into the Boat of the Lord.

Do not stop navigating, because there are still places to redeem and convert for the Glory of God.

Do not stop navigating; there are inner ports that still wait for the reappearance of Christ and want to hear the words of love of His apostles.

Do not stop navigating seaward to meet the shipwrecked, those who lost themselves in the sea of despair and guilt. To all of them God wishes to give His infinite Mercy.

Continue rowing, children, there is still pain to alleviate and healing to give to solitary and sick hearts.

Take in your souls and on your lips the power of the Word of Christ so that, announced to the world, the souls may awaken to the call of the Greater Universe.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
