

## Infinite Purity of God

*Prayer for Humanity to receive all the luminous codes that come from  
the Creator through His Divine Messengers*

Infinite purity of God,  
come to my heart through  
this sincere and humble prayer.

Infinite purity of God,  
convert my life into devotion.

Infinite purity of God,  
through the Immaculate  
Heart of Mary,  
may my soul be transformed  
in purity and love.

Amen.
