

Devotional of the Nails of the Cross

Devotional transmitted by Christ Jesus on Corpus Christi, May 30, 2024, in Montreal, Canada. To do this spiritual exercise, we say each prayer[1] ten times and, at the end of the tenth bead, we pronounce amen.

First decade

For the ray of Light
emanated from the right Hand of Jesus,
when He was mercilessly pierced by the first nail on the Cross,
Lord, may my hands not stop giving of themselves
and not become conditioned by human inconsequence.

Second decade

For the ray of Light
emanated from the left Hand of Jesus,
when He was violated and pierced by the second nail on the Cross,
Lord, may my spirit not be disturbed
by the impossibility of human accomplishment
before the magnitude of Your Plan.

Third decade

For the ray of Light
emanated from the Feet of Jesus,
when human wickedness and cruelty
apparently immobilized walking
through the third nail on the Cross,
Lord, may Your Light always illuminate
the new paths that my soul must tread
so that I may learn to walk in Your Kingdom.

[1] In this exercise, we will not say prayers in the union bead between the decades.
