APPARITION OF THE GLORIFIED CHRIST JESUS, AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, FOR THE SACRED CALL

In the name of the Father, the Son and the Holy Spirit. Amen.

Behold the Lord of the Swords, the One who does not battle, but rather conquers through Love.

Behold the Lord of the Swords, who does not hurt nor wounds, but rather cuts the ties with evil.

Behold the Lord of the Swords, who illuminates the spaces and abysses, liberating souls from perdition and rescuing the essences from the hells.

Behold the Venerable Lord of the Swords, who brings the Purpose of God to the Earth, who opens the planes of consciousness with the powerful Light of the Sword of God so that souls may be elevated and transcended into the Kingdom of God.

Behold the Lord of the Swords, the One who defeats with faith, the One who gains through silence, the One who manifests the expression of the Will of God.

Recognize the Face of the Lord of the Swords, because, through His Presence, you will win and you will not fear the end of times, but rather, as warrior apostles of Peace, of Mercy and of Good, you will bring My Christic Love to all who need it.

Temper your swords, the swords of the heart, which do not hurt nor wound, but rather liberates the hells of the Earth through fervent prayer.

This is the Light that ignites your swords, this is the Light of prayer that brings you wisdom and understanding, science, command and strategy.

It is the Light of prayer that will ignite your swords and, through the sword of the heart, you will build a great stronghold that will not be defeated by anything, because your faith must always be strong, above all, in the face of what is unknown.

Be postulants of the warriors and apostles of Mercy because My armies are preparing for the great final battle, the battle of Armageddon, in which all will want to be against all, above all, in those spaces where lies not My Love nor My Light.

But you, together with Me, together with the Lord of the Swords, will share the strategies, the inner projects and plans that throughout the battle will be carried forward to rescue even the last lost soul.

The board of the end of times in upon the table, incredible pieces are being moved in this game, because, in spite of the darkness, the chaos or the suffering of humanity, the Love and the Light of the Father and of the Holy Spirit have to prevail no matter what it costs.

Therefore, be precious pieces and instruments in My Hands. Never play against My projects, do not let yourselves be dragged nor deceived, use the intelligence of the Holy Spirit, use the temperance of the Christic Love so that, within this spiritual and planetary strategy of war, your consciousness may be placed in the correct location, and not at the incorrect moment or situation.

Therefore, you must be postulants to the great Spirit of the Command of Christ.

In spite of the hard moments or of the difficulties, on whatever plane of consciousness, the Lord of the Swords will guide you, and, even more, he will show you the darkest intentions of My enemy, and, at the correct hour and the precise moment, the sword of your hearts will cut the shackles and generate liberation so that souls may not be lost.

You have never seen a time like this. The light of prayer not only should illuminate your paths or even your deserts, the light of prayer, which ignites the sword of the human heart should demonstrate to you the Plan of the Redeemer, which is within the Spiritual Universe, like a great strategy for the end of times.

Be a part of a chain of Light, of that chain of Light that the Hierarchy gestates to carry forward the Designs of the Father.

But I ask you to cut the chains of evil, the habits of superstition, of lies, of half-truths, of the comments and even of the value judgments; submerge in the Love of My Heart, and the Lord of Swords will always protect you from any evil. And, each day that passes, you will be further, much further away from illusion, and, your eyes, although they are human, will contemplate with the soul the urgent needs of this planet, from your Kingdoms of Nature to all the human beings that dwell here and are swallowed by materialism and consumerism, by the constant invasion of information that is neither spiritual nor evolutionary.

Therefore, I invite you, on this day, to be a part of the Command of the Lord of the Swords, not to transgress neither to wound.

Therefore, you must watch your words, all that you say and all that you emit because the tongue could be converted into a sword of the transgression of all Laws.

May your lips only be in the prayer of the heart. At the right time, you will receive the response that you need and you will know which path to tread, and you will not lose peace.

Now, make your inner offering to the Lord of the Swords, and may the light of the heart give you understanding, at this moment, for the need that the Lord presents to you.

May the light of the Sword of the Heart, ignited by the powerful prayer and the sublime word of the Divine Creation, consecrate you and confirm you in this inner task that has no form, nor does it have a method, but rather it is conducted by a spiritual strategy.

Let us pray:

O, Lord of the Swords, Sublime Heart of Jesus!
May my lips never pronounce any evil,
may my prayer be converted into a sublime word
so that the sword of my heart
only emits love and compassion
toward all planes of consciousness.

O, Lord of the Swords!
Root out the cells of evil,
liberate the chains of perdition
so that we may recognize the Face of Your Return
in this final time of humanity.

Amen.

Now that you have made your offering, you will consummate this moment with the Spiritual Communion, which will be offered after this meeting with Me.

But before this exercise is lovingly delivered to all, I want to tell you, to know that My Heart has a place and space for each one of you. I ask you not to fear evil. It could make much noise, but it is very weak because it does not know Love, it does not know the Light nor Unity; but you, who have been graced and filled with My Spirit for so many years, your consciousnesses and your souls know Love, Light and Unity.

Affirm your faith in these three important principles, and ask God to show you, when at any moment you do not love, at any moment you do not illuminate, or when at any moment you are not united to your brothers and sisters. Thus, you will allow evil not to prevail, and you will not delay in returning to the path toward Love, Light and Unity, which will lead you to My Mercy.

Believe that I am here, and that I am your Redeemer, and that I bring a Message of Peace and awakening for the world. If this were not so, it would not make sense for you to come to meet Me. But, today I tell you, yes, come to meet Me internally so that your essences may be strengthened and learn to go through these difficult times with Love, Light and Unity.

Many use My Name, but few know what this Name means. By any chance have you ever wondered what Jesus or Yeshua means in Aramaic? It is a sacred Name that was rose from the Heart of God for the incarnation of the Son of God on Earth.

It is this name, Yeshua, that gave an impulse to the redemption of humanity and of the planet, which culminated on the top of Mount Calvary during the Crucifixion and was completed during the Resurrection and Ascension of your Lord to the Heavens.

Yeshua, in Aramaic, is an exorcistic name. It is a name that attracts to your consciousnesses the Higher Love of God, that Love that originated before everything existed; it is this Love that does not know evil.

Yeshua is the key to salvation; it is the name of Love, of Higher Love.

Therefore, I want you to know that I am now returning. This first Return is taking place through these years of Apparitions, which began once in Rwanda through Emmanuel, the youth of Africa, and which today is completed here, at this Sacred Center, by means of the Work of the unfathomable Mercy, which in essence is the Work of Redemption. With this, I want to tell you that, by means of the Sacred Weeks that have happened and all the meetings of Mercy that have been taking place in an interrupted way since years ago, I am giving continuity to what I once began in Rwanda, by means of the Message that was a preparation for the Return of the Lord.

You should know the Message that I left in Rwanda so that you may understand what I am telling you today because as much as the Hierarchy appears in different places of the world or in different times, the Message is the same for all cultures and peoples, the messages of warning, messages of salvation.

I can now see that, by means of your faith and devotion to My Sacred Heart, you have postulated to be a part of the Commands of the Lord of the Swords.

And before bidding farewell, I want to finalize this first fortnight of the month of July, of so many important impulses for souls, impulses of revelation and impulses of consciousness and awakening, by bringing you a song that emerged a long, long time ago, at this Sacred Community of Figueira.

This song reveals to you an impulse of awakening, but also of preparation for My Return. Through this hymn, I leave you My Kingdom.

I thank you for being with Me today, in the Commands of the Lord of the Swords.

May the prayer that I taught you today be essential for you so that you may prepare for the end of these times, so that the sword of the human heart may be the one that, through love and charity, makes Mercy descend upon these times.

After this song, which will lead you to My Kingdom, you will prepare to live the Spiritual Communion, which will consummate this offering of your souls, on this day.

I thank you and I bless you, as the Lord of the Swords, in the name of the Father, the Son and the Holy Spirit. Amen.

You may go in peace.
