SPECIAL MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS FOR THE 107TH MARATHON OF DIVINE MERCY

In the name of the Father, the Son and the Holy Spirit. Amen.

After a long time, I once again sit under the Fig Tree, so that souls may approach Me and attain an elevation of consciousness, transcendence of suffering, so that souls may again attain peace, the peace that is lacking at this moment in a way that distances souls from the Path of God, moves hearts away from the Truth.

Come to Me and enter My Inner Temple, the Temple of My Heart, just as many more are within the Temple of My Heart to contemplate, in these times, the Divine Purpose, the Blazing Flame of the Source, which is never put out. It illuminates the inner worlds regardless of where they are to be found because it is an Immaterial Flame, it is a Divine Flame that your Master and Lord also contemplates so as to always follow the Will of God.

Therefore, enter the Inner Temple of My Heart, just as the other Masters of the Hierarchy do. And under this simple Temple, under this Light of the Fig Tree, receive wisdom and understanding for these times, so that the world may learn to make correct decisions, beneficial and fraternal decisions, decisions that may prevent consciousnesses from distancing themselves from the Law and the Truth.

This is why today I have brought you to this Sacred Place, the Inner Temple of My Heart, under the Fig Tree of Light, so that you may return to your origins, your roots. So that you may remember the Principles and Commandments of God, which are the sustenance of your spiritual and inner life, because these Principles and Commandments will always accompany you in your universal trajectory.

See the fruits of this Fig Tree of Light that expand throughout its branches into knowledge and surrender, which reminds souls within their inner worlds that beyond that which is material lies that which is immaterial.

This Sacred Inner Temple of My Heart is present in this Community, founded under the principles by which it was inspired. This great Community of service and brotherhood has awakened other cells throughout the whole world throughout time, bringing to many places of the planet inexplicable inner benefits, unknown Graces, unique opportunities for souls, through the foundation of Faith and Truth.

Therefore, today I bring to all of your inner worlds the Inner Temple of My Heart so that, together with the Master among Masters, you may contemplate, under this Fig Tree of Light, the Flame of Divine Purpose, which is eternal and inexhaustible. Because this is where you should direct your gazes, this is where you should direct your consciousnesses so that you may always be protected by the Divine Purpose and, thus, your souls may be an extension of this Purpose on Earth. Wherever you go or circulate, this Divine Purpose will touch the souls that need it.

Thus, I call upon all those of you who are gathered with Me at this very moment to imitate the Masters, preparing the next meeting of the Marathon of Divine Mercy. Because after so many Marathons of prayer, I assure you that this will not be just one more Marathon, for your consciousnesses have learned to deepen into the spirit of prayer, into an inexhaustible love for the Divine Word, into the manifestation of charity and the good.

Therefore, I tell you not to fear for those who do not understand this Work, because many will stay in what is superficial and will lose the Grace of deepening into this spiritual wealth of Figueira, the Fig Tree of Light, which was founded by the Hierarchy itself with love, devotion and reverence.

Therefore, keep this image of the Inner Temple of My Heart in your memory and minds, during this Conclave of the Masters, under the Sacred Fig Tree of Light.

Thus, I invite your hearts and consciousnesses to be reborn, after the last two years of organized darkness. I invite you to always seek the inner truth, that which is unknown and is alive within you, that spark of Light that comes from the Supreme Source, which illuminates you and blesses you so that you may continue on.

This is why your Master today re-ignites the Sacred Fig Tree of Light, bringing consciousnesses to the origins and principles of this Plan, but also offering souls the fruits of the Fig Tree of Light, fruits manifested through effort, sacrifice and surrender, the true intention of manifesting the Purpose on the surface of the Light-Communities and their extensions on this planet.

This Blazing Purpose, which comes from the Source of Creation, is the Purpose that must not die in you. In these crucial times of the planet, this Purpose must not disappear, neither from the surface of the Earth nor from the inner worlds.

When you are exhausted or tired, overwhelmed or disturbed, remember the Inner Temple of My Heart, embraced by the Sacred Fig Tree of Light, which expresses the fruits of instruction and service, not only for this planet or for this humanity, but also for the whole universe.

I wish many more could appreciate such a Grace, especially those who were permeated by that Grace and are not here today. God has given the simplest His most valuable inner treasures, which do not come from the Material Universe, but rather emerge from the deep Spiritual Universe, where souls can be nourished from the Light of God, from His Love and Unity.

Today, through My Presence, your Master and Lord summons and gathers the inner worlds at the foot of the Fig Tree of Light. This is done so that together we may invoke the power of the Peace, Mercy and Compassion that the planet so much needs, that this humanity and all nations so much need, imploring to God, through this unity between your hearts and Mine, between your hearts and the hearts of the Masters, that the true and sublime Spiritual Government may be made manifest on the surface of the Earth, so that those who claim they rule nations no longer generate suffering, but rather with understanding, wisdom, truth and transparency, they may become responsible for humanity itself.

But I tell you again, My companions, do not seek results and solutions in that which is material. The Truth lies within each one of your hearts. In them, you will be able to enter the Inner Temple of My Heart to find an answer. Remember that in the end of these times humanity must completely elevate itself so that, once and for all, it may abandon world illusion, injustice, impunity, slavery and even arrogance.

Therefore, I invite you all, on these days of prayer, to be at the foot of the Sacred Fig Tree of Light, so that not only the Father may bless you through His Fountain, but also so that the Purpose, which has been foreseen to be fulfilled and carried out may be concretized through the adherence of all hearts and inner worlds.

Therefore, this will be a very important Marathon, because it will depend on the offering of hearts that this Blazing Purpose of God may be fulfilled not only in Brazil, but also in all of humanity.

Thus, We invite those who love their inner worlds, those consciousnesses that are attuned with the Masters of the Light, to be united under the spirit of Mercy and Compassion, which the world needs so much, so that the Principles and Commandments may be lived by all consciousness and they may remember their origins, the experience of Love and Forgiveness that all must carry in spirit to the Universe.

May the Rays of Divine and Unfathomable Mercy fill and permeate this moment.

May souls feel embraced by the Love of God so that, in times of darkness, souls may walk the path of the Master toward an encounter with His inner temple, in the Temple of the Fig Tree of Light.

Let us pray.

Lord,
may the advent of the new race be fulfilled.
May humanity be able to express its archetype.
May the Word be alive
and build Your temple.
That Your Mystery may expand within us
and the true existence be revealed to the world
so that we may gather in Your Name
and glorify the Perfect Unity.
Amen.

I thank you for being here with Me, for wholeheartedly being at My Feet, close to the Inner Temple of My Heart, at the foot of the Fig Tree of Light, so that the world may be converted and redeemed, and peace may be attained throughout the Earth.

In the name of the Father, the Son and the Holy Spirit. Amen.
