APPARITION OF THE GLORIFIED CHRIST JESUS IN BRASILIA, FEDERAL DISTRICT, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, DURING THE SACRED CALL

In the name of the Father, the Son and the Holy Spirit. Amen.

I have come from Heaven and from the heart of the Universe to remind all of you that this is the time for you to be with Me, because these are the final times.

Therefore, I again gather around My Sacred Table the Templars of olden, so that you may be before Me again and for a moment remember the sacred commitment lived with Me.

You were marked by My Cross, you were bathed by My Blood, you received the Codes of My Resurrection. In these crucial times of the planet, value the Sacred Relics of your Master and Lord, carefully kept in the Ark of the Holy Covenant.

For this reason, I Am here in Brasilia, to remind all of Brazil that beyond this surface, beyond nations and peoples, there is a true and unique Spiritual Government, which I bring to you today. The same Government that I taught you about more than two-thousand years ago, through the Good News of the Gospel.

But now, the Creator has asked Me for something bigger than preaching, than healing, than working miracles, than redeeming lives or exorcising impure spirits. The Creator has asked Me for a experience of Love greater than the one I lived on the Cross for you. This experience of Love will begin through your lives, when you not only testify to My Presence, but also live My Presence within yourselves.

Therefore, I Am here today, to encourage you all to live this definitive path, and not fear the cross that the Father gave you. I Am the Great Redeemer of the world, and I come here for your salvation and redemption, for the redemption and salvation of all of humanity.

Thus, raise your heads and look to the sky, wait for the Sacred Coming of your Master and Lord. Because, just as His Birth was prophesied in the Sacred Books, today also His Return to the world is prophesied, to liberate humanity from the spiritual slavery that the corrupt systems of the world impose.

Therefore, do not lose hope. I come here as your great Healer and Lord, I come to anoint you with the Spirit of Life, granted by the Holy Spirit of God.

Therefore, feel healed by Me, through My Word and My Presence. May those chains that bind you be dissolved today by the Presence of your Lord and may hearts be liberated from this captivity that the world imposes on them.

Place your trust in the Creator. I told you a short time ago, the Eternal Father has His Arms open to receive and welcome you. Do not pay attention to the gods of these times, turn your gaze toward your inner universe and again find the original wealth that God stored within you at the beginning. While you do not search for this inner wealth, you will suffer.

Therefore, with intelligence, enthusiasm and determination, I ask you to no longer resist, open your hearts to the great transformation, because God places His spiritual treasures in simple, not in powerful hearts. This is where His Great Universal Legacy is kept, which comes from the Divine and Supreme Source.

This is why I ask you once again for your lives to be receptacles only of Me. Let your inner temples be the tabernacles where the Cosmic Christ, the Solar Son, the King among all kings of the Universe may live.

Thus, the emblem of the Sacred Star of Light, the Sacred Star that once shone in Bethlehem, the Star of the Confraternity, will be able to shine within you, and My enemy will fear and move away.

Therefore, trust all that I tell you. Take decisive steps toward My Heart.

How many Graces My Spirit wants to pour out upon souls and it still cannot do so!

This is why, time and again, I offer you the Sacraments, so that you may remember your origins, so that you may remember the Commandments, which are not rules imposed on your lives and consciousnesses, they are steps for you to learn to live in the Universal Laws and thus be protected from yourselves and the world, under the Protective Mantle of the Celestial Father.

Therefore, today the Lord of the Universe sends Me with His Angels and, under the support of the Archangels of Creation, I come to pour out the Wisdom that Brazil needs at this moment so that souls may decide with discernment and understanding, so that the Holy Spirit may guide souls and this dear people, and the decision may be beyond that which is material or mental. That your true decision may be in the innermost depths of your hearts and lives, where the Living and Resplendent God is to be found, the One who has always sacrificed and offered Himself to this humanity, to guide it and support it.

Therefore, I tell you, ancient people of Israel, rise, keep elevating your prayers to God, allow the prayer of the heart to close uncertain and unknown doors so that souls may no longer be confounded or tempted by those who believe they are crafty in these final times.

Many have heard about the antichrists. Although they are present in this humanity and in these times, no one can have the Power of God, only the Son of the Father. This is why I surrendered for you and died on the Cross.

I want you to value each drop of Blood shed by My Consciousness, because My passage through this planet must not be in vain, as the sacrileges are still being lived in this humanity. Honor the Passion and Death of the Lord.

I come to give you the Love of the Father, which is infinite, grand, prodigious and merciful.

I ask you not to stay in superficial things, elevate your consciousnesses through prayer and service for others.

At this moment, there is no solution for humanity, other than making use of the profound attribute of fraternity, the good and peace. While this is not practiced and does not happen, there will be suffering in the world, because outside of here, of this place, in every corner of this country, in every corner of this planet, there are souls that thirst for light, love and service, souls that cry out for

My Infinite and Unfathomable Mercy.

Brazil, which has an open heart, must keep all of Africa in mind, as well as the duty to serve that continent and repair it for all that it has lived throughout times, because the very love that Brazil has as a country, as soul and as spirit, could avoid many situations throughout the world in the end of these times.

Therefore, ask for clarity within your consciousnesses. Ask for the Presence of the Holy Spirit so that it may guide you at each step. Thus, you will be on the correct path of evolution and peace, and you will no longer be confounded, but rather guided and internally oriented.

Thus, tonight, through the Grace of the Sacraments that I will offer. I come to purify you inside and out so that you may be new vessels to receive the Codes of the Lord and so that these Codes of Love, Light and Mercy may multiply throughout the whole world, because there is no longer time, companions. It is time to act and to prevent, it is time to fulfill the Plan of God beyond religions, beyond beliefs and even beyond philosophies and dogmas.

I come to unite all in the name of My Love, never forget this. There would be no reason for Me to speak only to My Church spread throughout the Earth. My Message comes for all, just as it came for all such a long time ago. My Message comes for the simple, for the pure in heart, for those who aspire to be converted and redeemed, for those who, for Me, will someday offer to be nothing.

Therefore, today I invoke the Sacred Spirit of God so that the souls present and those not present may receive this Sacred Spirit. Thus, souls may be worthy of the Grace of the Father, the Son and the Holy Spirit, which comes here as Light to illuminate the world in these times of tribulation and pain.

Keep praying for the Spiritual Purpose of Brazil. Have faith and persist. I give thanks in advance to all those who have offered to faithfully collaborate in this task of prayer because miracles, companions, are still possible.

Remember My Life on Earth whenever you need, and everything will be relieved, because the Living God became Man and incarnated among you to bring you the Good News of liberation and salvation, so that everyone may remember, and you may also remember today that you are a part of a Sacred Project of the Creator, which goes beyond this planet and this universe.

Thus, tonight, companions, feel as partakers of this re-encounter with Me and that your 'yes' to My Heart may be true and sincere, and grant to the souls that are not present the Graces that they need as well.

It is time to heal internally, it is time to find the path of peace again so that you may feel strengthened, supported and loved by the Eternal Father.

I Am the Voice of the One who created and gave origin to you.

I Am the One who comes in the name of the Light and Love of the Universe to make your lives new.

Place your intentions at My Feet, because I always listen to you and respond to all those who call upon Me. Through My prayer, I transform your intentions into sublime prayers to God, and the

Father always responds.

Therefore, always seek your filiation with the Heights. Be dignified Children of God so that this planet may be worthy and deserving of greater Mercy, greater peace, healing and liberation.

Allow your Guardian Angels, at this moment, to write this meeting with Me within their Books. Because nothing is by chance, all is part of a Higher Purpose, which you are called to consciously live so that you may be wide awake and very attentive to the signs of the end of times, revealed in the Book of the Apocalypse.

We are in the times when the last seal will open. Remain united to My Heart and be peace-makers of the Lord, because many souls will need this Peace in order not to be tormented or confused, so that, just like you, these souls may be guided toward the Kingdom of God, the only Kingdom that exists for each one of your lives.

Therefore, let us honor and glorify the One Who created us, by singing in solemnity the Names of God.

Friar Elías del Sagrado Corazón de Jesús:

Together with Our Lord, let us sing these Sacred Names of the Eternal Father.

Let us stand up.

Our Lord asks the youth who are present in this room to come here, at this Altar, for Christ wants to tell you something.

Song: "Sacred Names of God-Canon No. 1."

Today, I Am forming a new oratory, new apostles of the end of times, peace-makers of Christ the Redeemer. And through the Holy Spirit, I come to give you Its Gifts, so that these Gifts may form your lives and, in these coming times, your lives and souls may be guided by the Gifts of the Holy Spirit.

Today, I consecrate you as a favorite group of youth from Brasilia, which will also proclaim peace, the good, love and service in humanity. And so that you may understand the significance of this, today, all of you, at My request, will be baptized so that your souls may be consecrated to Me in trust and faith, as My friends, companions of the Redeemer.

May the Lord baptize you with His Spirit and by His Consoling Spirit reach all consciousnesses that you find along your paths, because it is through the youth of this humanity that the Earth will be reborn and the One Thousand years of Peace will come.

Support this initiative of Mine. Take care of them, I entrust this to you.

Let us celebrate this moment.

I thank you for having responded to this call in Brasilia.

May the Spiritual Government be fulfilled and lived in Brazil for the good of the simplest and poorest, for the humble in heart, for those who are anonymous and know God.

I bless you and give you My Peace, in the name of the Father, the Son and the Holy Spirit. Amen.
