**SPECIAL MESSAGE OF THE GLORIFIED CHRIST JESUS TRANSMITTED IN DORNES, PORTUGAL,  
TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS FOR THE 116TH  
MARATHON OF DIVINE MERCY**

In the name of the Father, the Son and the Holy Spirit. Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.

My time in the world is coming to an end before I prepare My definitive Return to humanity. The clock strikes the great moment, there is still much to be done, there is still much to be redeemed, there is still much to be converted.

Who has defined themselves before this great hour draws near and marks the final period and the beginning of another stage, the culminating stage for humanity and the planet?

For this reason, I come from Heaven once again to gather you in My Name and so that, through My Heart, you may reach God, the Celestial Father, Who, in His Silence, still awaits the mature response of His Children.

The Plan that I offer to souls is a Plan that does not belong to this world. It is a Plan that cannot be reasoned out with the mind, that can only be understood with the heart, with the heart that loves God without exceptions; with the heart that offers itself for others, without anything in return; with the heart that deeply knows what the Will of God means and does not reject it.

This is the heart that I seek in many of Mine, especially in this hour, when you must walk with your own feet through the pathway that I have opened to you, through the Purpose that I have shown to you, through the Commitment with Me that you have signed.

Behold the sample of a mature Heart, a Heart that sacrificed itself for you up to the Cross, a Heart that did not deny your salvation and the salvation of the planet, a Heart that continues to pour out Blood and Water for the world and humanity, although many do not feel or perceive it.

Behold the Heart that is an inexhaustible Source of Love for the whole world, a mature Love that needs to be imitated, that needs to have its example on this surface, that needs to reflect itself in the souls that say yes to Me.

This is the time for the mature hearts of My companions to assume the Plan, for them not to retrogress in the face of the challenges, for them not to fear darkness, because the one who is with Me, is in My Light, and will not perish.

But now is the time for you to do your definitive part, and for Me to just accompany you as a Good Shepherd, as a Shepherd that takes care of His entire flock, regardless of the responses of each one.

Therefore, it is important for love to be the center of your goal, and not so much your skills.  
Therefore, it is important for love to be the center of your purpose, and not so much your ideas.

Because in God's Love and through God's Love you will go very far, if you really open to live it, not in the way you wish or intend to but rather in the way that God has thought of, that God has determined it, just as the Father determined it through His Son.

In the face of the Agony of the Garden of Gethsemane, He offered the Chalice of Love and Renunciation to Me. I could never have denied it, because otherwise you and your brothers and sisters would not be here today.

Now, do you understand how important it is to comprehend the immensity of this Love, which does not have limits or borders in any plane or consciousness, in any dimension or space?

God's Love is a Fountain that is never extinguished and never ends. The Father has so much to give to you through Me that His Arms are still open so that more souls may come to Him without anything in return.

From this month of August on, it is the moment to demonstrate to God that you want to live of His Higher and Infinite Love; that you want to take your steps through His Merciful and Eternal Love; that you are willing to assume, out of love, the part of the Plan that you are supposed to assume so that your Master and Lord may work in this world and in this humanity in this definitive time when many situations are at stake and millions of souls are under this vulnerable condition.

Therefore, this is the time for the action of the apostles. It is the definitive time to abandon mediocrity, guilt and denial. This is the time for you to become free of yourselves and allow the spirit to fly high until it can unite to God in eternal communion, just as His Son united to God in eternal communion during His last expiration on the Cross, when I said, "Father, into Your Hands I commend My Spirit." And you, do you commend your spirits to the Lord every day?

He intends to make works of Mercy through souls and through the apostles of Christ, who are decided to be a bright star in this world of darkness and in this sea of hostility and terror.

These are no longer moments for emotions. These are moments for decisions, for a mature and peaceful decision, a decision that can be in surrender to God unconditionally, with your hearts ready for whatever comes, for whatever has to be, according to what is written.

In this month of August, meditate and reflect:

Where does the boat of my soul head to?

Am I seeing from afar the safe harbor of God's Heart?

Do I aspire to reach this harbor despite the tempest or the tribulations?

Do I have clear within my heart what I have decided for my life and for the rest of my evolution?

Do I have my feet upon just one path, the Path of the Lord?

Now, where is the boat of my soul? Where does it navigate?

Have I stopped for any reason? Have I slowed down? What am I doing?

Ask yourselves, companions. In this way, after August you will be able to enter a new cycle with a broader view, rather than a restricted one, with deeper wisdom, rather than a limited one, with a clearer purpose and not being confused.

Because the Flame of My Heart is the torch that illuminates your paths, it is the Light that will lead you to God's Heart, because I Am the Truth and the Life, I Am the Way and the Love for My companions.

The decision lies within you, rather than in your words. The decision lies in the center of your souls, rather than in your minds.

Make room for your inner universe to expand and for the Holy Spirit to work through Its Gifts and Graces in the souls that, with faith, follow Christ step by step, regardless of their imperfections or regardless of their errors. Because I come to seek that which in truth you can give Me, rather than what you promise to Me.

Peter, the apostle, promised many things to Me and fulfilled just a few by himself. Until one day he realized by himself that what I needed was his heart and his life to be the cornerstone of My Spiritual Church in this world. Just as each soul is a precious stone for Me, it is a shining crystal that I polish with My own Hands when you allow Me to and do not resist, for Me to present My offering to God through your hearts.

I want to leave this Message, not as just one more Message but rather as the great and ultimate reflection of your consciousnesses at the doors of this month of August for the Brotherhood.

Although this world is in darkness, war and pain, may hope, faith and love awaken in those who believe in Me. Because I promised you in Pentecost that the Consoler, the Eternal, Holy Spirit of God would come to bless and guide you until the end of times.

I will send the Spirit of God once again so that you may prepare My Return through your paths, so that you may prepare My Return through your definitions, so that you may prepare My Arrival through the giving of your hearts. In this way, that which is written will continue to be fulfilled, regardless of what the world may be experiencing at this moment.

Be brave and do not become discouraged. The strength of My Love can do all in you and in your brothers and sisters.

Behold the Merciful Heart of the Lord, which let itself be pierced by the spear in His Side to pour out the Fountain of Life upon all souls.

Thus, at the beginning of this important month of August, I bless you and give you My Peace again so that this Marathon may grant the world a just and balanced peace; a peace that may bring relief to the suffering of many hearts and families; a peace that may remove guilt from many consciousnesses; a peace that demonstrates to all My Truth, the Truth that I love you more than what you imagine, because My Love does not change.

I wish you all a reflective Marathon of prayer, because I will be by your side to hear each bead, each prayer, when you tell My Father to deliver His Mercy for the sake of My Sorrowful Passion, for the

sake of the Sorrowful Passion of Christ, which saved and will save the whole world.

In the name of the Father, the Son and the Holy Spirit. Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.

In the name of the Father, the Son and the Holy Spirit. Amen.
