APPARITION OF THE GLORIFIED CHRIST JESUS IN QUEBEC, CANADA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, FOR THE FIRST DAY OF THE 126TH MARATHON OF DIVINE MERCY

In the name of the Father, the Son and the Holy Spirit. Amen.

A King is the greatest slave of God in the universe. There is no crown that exalts him, there is no power that brings vainglory to him, there is no authority that sustains him, because a true King is a king that gives himself from the heart.

Do you now understand what My Government is?

Although I died on the Cross for many of you, and even died for those who I knew would not be consistent with Me, the King, in His celestial glory, was not crowned by powers or riches, He was received by the angels of Heaven, with the same human humility that your Master Jesus was able to live while still incarnated in the world among you.

The Power of God is so humble, that He sent His Son to Earth so that all His Creatures on this surface of the planet, regardless of any condition or situation, could learn about the power of God's Humility.

Because He would not be able to be present in Three Persons, Father, Son and the Holy Spirit, if His Humility were not the premise of His Existence. And it is the very Humility of God that is expressed by His Law, the center of universal and divine life, ruled by Love and Unity, Source and manifestation of all that was created, infinite Light that guides consciousnesses regardless of any condition.

Therefore, in this time, through My example and the living example of God, seek the humility of life. Because the world has lost the simplicity and innocence that allows it to love under any condition.

Thus, I lead you along the path that I always expect, the path of the Christs of the New Time, those who, despite everything, have clarity about the proposal of life that I offer to you at this planetary moment, in which all is in danger.

Do you now understand the importance of souls to Me?

Each one brings something precious to God, to contribute to this experience of the Earth. And this something precious which each soul brings, which is a gift and a Grace, must not remain in vain, must not be wasted or lost.

This is why My silence becomes present when My chosen ones do not understand My Ways and My Will; because you have to remember every day that I offer to you the path of sanctity, perhaps not the way you understand or comprehend it.

The path of sanctity is the path of simplicity, of being free from any or all arrogance, of any or all pride, of any or all greed that you may have in this life.

At the end of this spiritual and celestial staircase that I have presented to you, you will see the narrow door become visible to you, that door whose time has come for it to spiritually present itself to humanity so that souls may decide what they will do with their lives.

My aspiration is for all to cross this narrow door, which nothing personal or spiritual will be able to cross, but an absolute and unique emptiness of yourselves so that, after crossing this narrow door in the universe of the unknown, you may receive what God has in store for each one of you, which is nothing material, but rather deeply spiritual, anonymous and secret. Treasures that the holy angels guard, until souls find, on their paths, this sacred and narrow door that liberates them from their own ambitions and arrogance, the narrow door of God that converts you into nothing.

As the end of times draw near, the approach of the narrow door of God will be more evident in the life of souls. It will not be long before souls find this narrow door of God before themselves. At this moment and in this hour, each one of you, before God and the infinite, will have the chance to take the step and decide the next step.

In the face of the moment of humanity and all that the planet is suffering, will souls realize that they are before the narrow door of God?

How is it possible to turn back before a wonderful mystery that awaits you? A mystery that waits to cease being a mystery, to become a revelation, through the power of the faith that sustains life and existence.

I want you to know that your Master and Lord Jesus Christ, in the Garden of Gethsemane, in the hour of His most crucial and deepest agony as a human being just like you, as a being of flesh and bones just like you, as a soul just like you and as a spirit just like you, was before the narrow door of God.

How does God place Himself before His own mystery? The Living God Himself, through His Son, before His own narrow door?

How is it possible to understand this greatness of the Love of God, who only tries to impel the souls and consciousness of the Earth to increase the degrees of their love and forgiveness?

By any chance, did God see Himself before the narrow door in the Garden of Gethsemane?

How was it possible for God Himself to drink from a Chalice that did not correspond to Him, but it was God Himself, through His angels, that was offering it to His Son in the Presence of the Living God?

What is this mystery of the Eucharist? Why commune with transubstantiated bread and wine? Why is it necessary to avail oneself of a sacrifice that has already been carried out?

Why did God give Himself to all of you through the Body and Blood of His Son?

Why did God, through His Son, justify all the errors of the world until the end of times?

What is the reason for a Guardian Angel of His Eucharistic Body on the eternal levels of Divine Life?

Why did God forgive what He had created in His image and likeness?

What is the essence of His eucharistic mystery?

Why did He come to teach you, through His Son, about Love and Forgiveness?

I have the answer, companions. The mystery of the Eucharist, of the Last Supper, including the Garden of Gethsemane, the Sorrowful Way and the Death and agony on the Cross, is the great key to the self-giving of souls, for something that you absolutely do not know and, by themselves, the souls and lives of people cannot control.

Behold the mystery of loving the absolute and the unknown. Behold the mystery that ceases to be a mystery so that the life of souls may be ruled by the Holy Will.

Thus, all the signs have been given, from the Birth of Christ to His Death and Resurrection. Just as today the signs are given to the souls that seek Christ.

In Heaven, there is no such thing as what is ideal to you. In Heaven there is only Love, Unity and Sacrifice. Heaven is where the Love of the Father is vivified, expands and multiplies infinitely for those who seek the Truth.

For this reason, I have always told you and tell you again that the Truth will make you free. Behold the living Truth of God, materialized in the Divine and Spiritual Consciousness through the Sacred Heart of the Lord.

This is what I have to offer to you at this moment; that your beings, and above all your souls, may know how to drink from this Fountain and not waste it; because just as the Fountain of atonement springs from the Earth as an inexhaustible wellspring, in the same way the Fountain may become dry and disappear, so that souls may live the stage of their spiritual desert, just as your Master and Lord, Christ, did at each step of the Calvary.

Canada must be the country of rebirth, the spiritual rebirth for the New Humanity. I know that you will not understand this today, but it is written in the Heart of the Father, just as it is written in the Heart of the Son and just as it was written in the heart of the angel of this country, the Angel Sariel, the guardian angel of the elements that create life, the angel that protects Creation, and rules Canada.

I hope all My Words are not dissolved from your consciousnesses, and that you do not listen as you have always listened, because the time and hour has come for Me to close My task with all of you.

And at this hour and at this moment will be the great time of the apostles, those who, through their own Inner Christs, will walk to fulfill the Will of God, just as I have patiently taught you in these times.

I thank you for attentively listening to My Words.

May God bless you on this path of constant transformation.

In the name of the Father, the Son and the Holy Spirit. Amen.
