SPECIAL MESSAGE OF THE GLORIFIED CHRIST JESUS RECEIVED ON NOVEMBER 3, 2024, IN LA PEDRIZA, MADRID, SPAIN, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Souls do not know in depth the unfathomable mystery of My Love because this is only revealed and becomes known when the soul yields in totality and surrender.

When the soul comes to know the unfathomable mystery of My Love, they can never be the same again, because, although small and imperfect, their consciousness begins to be part of My favorite spiritual helpers who, through prayer, collaborate and assist in the trajectory and destiny that all other souls must go through. The souls who are helpers of My Heart also have it clear that their service is inner and anonymous.

In this time, when the attention of many souls is placed far from My Heart, I prepare them, after almost twelve years of Messages and Instructions, for these souls that are chosen by Me to finally decide to not only be victims of My Love but also to be simple instruments in the blessed Hands of Christ.

Therefore, be attentive to the moment that everyone is living in this cycle, internally and externally, so that the transparency of heart and purity of intention may be the guiding star that indicates the next paths to go through and learn.

In His silence, Your Master and Lord prepares this moment so that as many souls as possible may abandon the zone of imperceptible spiritual risk and enter the perpetual state of Grace and Mercy, without losing the sense of wisdom.

However, to reach this, the souls who offer themselves must purify their most intimate intentions; they must be honest with themselves; they must practice truth by example because there is absolutely nothing that can be hidden from God, for His Science and Understanding know each one down to their innermost and most unknown depths.

For this reason, so that you may be truly deserving of Grace, you should identify how many times the Law of Grace has embraced your lives and consciousnesses, and even everything around you.

However, the world insists on learning through suffering and guilt. This paralyzes the consciousness, leaves it immobile and uncertain about the next step.

But just as I did with Lazarus, one of My best friends, I invite you and call you to resurrection, so that your lives, as well as your feet, may be purified and cleansed of the dust of the past. Thus, you will learn to be reborn by yourselves, in attunement and unity with the celestial spheres.

The most magnificent thing that exists for an awake, selfless, and self-given soul is to find the path to the Infinite, this sacred pathway thought of from the beginning by the Eternal Father so that, through Me, all might have Life in abundance.

However, it is necessary that souls, in this material life, learn to love and grow through the goodness that the universe can teach and instruct them in.

Know that in this life there are not two realizations but only one, which for you should be to be in communion with the Father, the Son and the Holy Spirit. Thus, you will be under Grace and the Will that still waits to be fulfilled in most.

Be brave and become divested of yourselves. Seek to be nothing so that, at the end of these difficult times, you may be guided toward the sacred goal of your lives.

I Am here, opening the Tabernacle of My Heart to those who, decidedly and without delay, accept to bear with Me the weight of the cross of the planet, which is transformed by Redeeming Love.

I thank you for keeping My Words in your hearts.

Who blesses you and blesses all of Spain,

Your Master,

Christ Jesus
