APPARITION OF THE VIRGEN MARY, ROSE OF PEACE, IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the name of the Father, the Son and the Holy Spirit. Amen.

The world has judged the message of the Mother of God, and even though it was not all of my children, this has had a great repercussion in God.

The world has not understood the reason for Me being here on Earth, but I still come to the world for those who listen to Me.

Opening My Heart and stretching out My arms toward you, today I come to give you My message and this goes beyond any human credibility, because I come here for one reason, because I love you and I want good for your lives, just as My Son wants Mercy for your lives.

The world cannot judge the Will of God, because it does not know it. Today I am in silence so that you may reflect and not just listen.

In this place, there will be a visible sign that We have been here, and that Our Sacred Hearts had been here for a long time.

Today I cannot tell you much. You have to understand, My children, what I want to tell you through My silence, because it is God that speaks through the Heart of His Servant.

A large part of the world does not accept the Love of God. Very few children of Mine dare to be submerged into the Love of God in order to be redeemed and transformed.

Today I come as the Lady of Peace, because My Peace will be in those who truly seek it.

God has asked me to tell you something important, something unforeseen and extraordinary. First, your souls must know so that your hearts can understand afterward.

I have given the world much more than it needed, so that the majority of My children could feel and recognize this moment that you are experiencing with Me.

The Chalice of sacrifice that is before you today in the hands of the Lady of Peace was drunk by very few. It is the Blood of My Son that wants to be Blood within you so that, through the sacrifice, He may continue to save the world.

We are at the doors of the Celestial Church, where God attentively listens to this message. His Divine Consciousness is watching and contemplating you, as well as all His Hosts of Light, archangels and angels, all are bearing witnesses of this moment.

The special message that I bring you tonight, with a heavy Heart, is that I will come to the world to meet with My children for the last time on August 8th, the day on which the task of the Sacred

Hearts will come to an end.

If the world, up to August 8, does not repent and does not stop persecuting, humanity will feel the movement of the Earth, because it is Us, the Messengers of God, Who through these meetings support the world and humanity so that it can continue onward.

Today the Sorrowful Mother cries out to the world for penance.

Today I say the same thing I said in the third secret of Fatima, that has not yet been fulfilled, because a part of this secret has not yet been known.

The Angel of Justice of God directs His sword of fire toward the Earth. But the Lady of Peace, the Sorrowful Mother, places Herself before the Angel to emanate the Light of God toward it and bear the punishment that corresponds to the Earth.

My ardent desire, My children, is not to abandon you nor leave you, but some were not just with Me, and therefore, they were not just with God. Neither the Church nor humanity knows the Will of God.

I will rearrange the universe and all the celestial powers so that in the time left for Me to be among you, I can draw toward God the souls that have not yet repented, nor have been reconciled with what is High.

From now, until August 8th, I incessantly aspire and pray for humanity to improve, and, just as it has been many times, I aspire that the doors of this Marian Center may again be opened, to say farewell to the Messenger of God, after these twelve years.

The truth will emerge and hearts will no longer be confused, because they will know that the Mother of Heaven was always here, gathering Her children in Love and in Mercy.

You must continue to pray so that, from Heaven, your Queen and Mother may continue interceding for you, even though I can no longer come here.

While I am here with you, I am praying, because I cherish you and I love you. I want the truth for your lives and the end of ignorance upon the surface of the Earth.

After August 8, it will be the great moment for you all to put into practice everything that I have been dictating to you, to practice love above all conditions so that the Love of God may continue to triumph, until My Son returns and fulfills His great promise.

Let us pray from our hearts, souls and spirits, that the Supreme Will may always be fulfilled.

Our Father (repeated three times).

Today I will carry this prayer to the Father as the eternal thanks of the hearts that have united with the Mother of God throughout these twelve years, and that beyond the difficulties and the tests, with bravery and courage they moved forward with the requests of the Most Holy Virgin.

The Lady of Peace, the Sorrowful Mother, thanks you for having responded to My call.

In the name of the Father, the Son and the Holy Spirit. Amen.

We end this transmission giving thanks and reverence, at this moment.

We say farewell, listening to this instrumental.

Thank you all.
