APPARITION OF THE VIRGIN MARY IN LAKE SHASTINA, MOUNT SHASTA, CALIFORNIA, UNITED STATES, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS FOR THE MEETING OF PRAYER OF MAY 13

In the name of the Father, the Son and the Holy Spirit. Amen.

My beloved children, on this day when the anniversary of My Apparitions in Fatima is being celebrated, your Heavenly Mother avails Herself of this special moment of souls to attend, help and aid the prisoners of war and those who live the death penalty, a state that humanity has not yet been able to transcend and heal.

No matter how grave the sin has been, dear children, God does not fail to love His Creatures and, even correcting and straightening them along His path of the Law, the Heavenly Father does not fail to show His Merciful Love and His Grace.

For this reason, on this special day, when all devout and prayerful souls ignite the flame of Light in their hearts, in this way representing the Love of Mary, your Heavenly Mother avails Herself of this moment to attend to this group of souls who are forgotten, because very few are those who pray for them.

Thus, I awaken you in consciousness to a reality that humanity should no longer live. I tell you this because the life that God has given you is precious and immaculate, it is the life that God granted to all the creatures that, day by day, are exposed to danger and decay.

Therefore, dear children, from their birth to their old age, all must have the opportunity to experiment and learn. Because God grants to the souls that incarnate on Earth the opportunity to evolve and grow to carry within themselves, in each heart, the spiritual values of this experience on Earth.

This is why your Heavenly Mother comes today to attend to these suffering souls, who need the tenderness and caress of God to find the path of redemption, the path of peace and the path of forgiveness.

I need you to accompany me in this task, because the death penalty in the world is one of the greatest knots of the human consciousness, which ties and binds this civilization to a state of suffering and loss.

However, through My Grace, through My Maternal Love and My tenderness, just as I did with the sinners in the times of Jesus, the Mother of God approaches all her children to invite them to the time of healing and reconciliation, to invite them to the time of peace.

This is what God hopes for, so that humanity may be reborn far from the action of revenge and impunity, remembering that all souls are precious to God.

This is why I am here to bear testimony of this. This is what My Son asks of Me, to remind the whole world that life is precious, innocent and pure. The life that has been distorted by the

ideologies of these times, by the practices of these times, by very liberal acts that place souls on an uncertain path, far from the Light and Love, far from the Truth.

This is why I come here to fulfill this aspiration of the Eternal Father. And I begin with the United States because it still lives this death penalty, it still lives this act of condemnation that places the hearts that have made a mistake on a dead-end.

But how is it possible for this to happen, in a cycle when many things have changed?

Spiritual slavery still continues to happen, which is something that needs to be abolished, because you cannot even imagine what souls suffer when they live this.

May each Rosary offered today transmute this human condition, liberate these actions that lead souls to a dead end.

I need your prayers to work in this, so that humanity may be reborn in love for life, for what is most precious that God gave to you.

When humanity values life again, it will not be necessary to live painful experiences, but rather learnings that enrich the spirit and life through the Project that God created for humanity, a Project that still needs to be repaired and healed; a humanity that needs to live redemption at some moment.

Today, I join the voice of all those who cry out through the prayer of the Rosary, especially those who are gathered in the Sanctuary of Fatima to invoke the Kingdom of the Heavens, so that maternal Grace may descend and grant healing and redemption to hearts.

I am united to you and your brothers and sisters, let us continue to pray to spiritually rebuild this humanity. This is all that the Hierarchies expect, that all may come to know how wonderful it is to live in God and be part of His Kingdom.

I open the Maternal Mirror of My Heart again so that all My children, especially the prisoners of war and those who are living the death penalty, may remember that, as souls, they can see themselves reflected in the Purity and Love of God through the Mirror of the Heart of the Heavenly Mother, where everyone will always find a safe and protected harbor to take refuge, a place spiritually prepared for each one of My children.

This is why I am here: so that, on this May 13, you may enter My Immaculate Heart and, in this way, may be in communion with God.

I thank you for responding to My call!

Remember that, on this special day, souls can see themselves reflected through the Mirror of My Heart. There, everything will always be well, there you will find the happiness of serving God, even if it does not seem so, just as the Mother of God found the joy and bliss of serving the Creator.

I bless you, under the Light of the Higher Mirrors, Mirrors of Love, Light and Unity.

In the name of the Father, the Son and the Holy Spirit. Amen.
